The Mysore Association for the United Nations is affiliated to the World Federation of United Nations Associations (WFUNA) through the Indian Federation . It was started in February 1949. His Highness the Maharaja of Mysore is its Patron. During the United Nations Week, five lectures were arranged in the Maharaja's College, Mysore, on "UNESCO and Education", "United Nations and World Peace", "Audio-Visual Instruction", "United Nations and Food Problem" and "Philosophy of UNESCO". United Nations Day was celebrated in the Town Hall with the Minister for Law in the chair The speakers were Dr Pin Malakul, Director of the UNESCO Seminar on Rural Adult Education which was then in progress, Dr Spencer Hatch and Dr Frederick Rex. The First Anniversary of the Association was observed on 19 February 1950 with Dr C.R Reddy, the distinguished Education ist in the chair. In a brilliant speech, he surveyed the world situation and dwelt on the role of the United Nations. On 3 July Dr. James H Cousins delivered a lecture on UNESCO under the title "International ism and Culture" Dr. Reddy presided.

The inauguration of United Nations Week, 1950, is best described in the words of Rev and Mrs. Crump in their letter to their parishioners "Mainly through the untiring efforts of Mr Kantam, we at last got our Unicef milk and the first distribution took place at a special meeting at the beginning of the United Nations Week on October 16, a real red letter day for us The Hon. Sri K.C.Reddy, Chief Minister, gave out the first cupful of milk We are giving half a pint of milk to every child around us and what a joy it is'" Among the lectures during the week was one on "Peaceful Uses of Atomic Energy" by Professor Sundarachar (who worked on Neutron Scattering in California) presided over by Dr S S Bhatnagar. The Essay Contest conducted by the Association attracted 25 entries from all over India The first prize of Rs 100/- was won by a Delhi entrant The second prize went to a lady candidate from East Punjab. United Nations Day was observed as before with a public meeting.

On the death of Dr Reddy in February 1951, Mr H C Dasappa, the then Minister for Finance and Industries, was elected President at the Second Anniversary on 8 April 1951 Charter Day was observed on 26 June at which the revision of the Charter in 1955 was mooted .

Mr Kantam, the Secretary of the Association, attended the ECAFE Session at Lahore in February-March, the Fifth Annual Summer School on the United Nations at Geneva in July-August and the Sixth Plenary Assembly of WFUNA at Stockholm from 24-30 August 1951. At the last-named he was elected Chairman of the Social Committee On his return from Europe, he participated in the UNESCO Seminar at Delhi on "Teaching about the United Nations" In December, he delivered two Mysore University Extension Lectures on the United Nations and presided over the XXI Annual Educational Conference at Mercara, Coorg, at which the theme of his address was "Teachers and International Understanding"

The Third Anniversary took place on 15 April 1952, the Chief Minister of Mysore presiding The speakers were Mr Lyman of I L O , Dr. Karl Borch of Unesco and Mr. Dick V Fagen, Extension Adviser In addition to the observance of United Nations Day and Human Right Day, there were special lectures by Prof Henry C Hart on "Collect Security in Korea" and by Mr Stephen I Schwebel on "United Nations An Evaluation" in November 1952

At the Fifth Anniversary on 10 April 1954, Mr K Hamiah, one of the Senior members of the FAO gave an interesting talk on the work of FAO and its efforts to increase food production Mr B N Banerjea United Nations Technical Assistance Expert in Liberia showed how a small and backward country like Liberia was deriving immense benefit from the Technical Assistance Programme of the U N and the Specialised Agencies United Nations Day and Human Rights Day were celebrated as usual.

World Health Day was observed jointly with the City Municipal Council on 7 April 1955, when the Professor of Hygiene, the Health Officer and the Commissioner spoke on the importance of the theme for this year "Clean Water Means Better Health"

TO WHOM IT MAY CONCERN

I have had the pleasure during the past six years of being in close andregular contact with Mr T.L.Kantam, Secretary of the United Nations Association of Mysore since 1948 and Secretary since 1951 of the Irdian Federation of United Nations Associations.

During this period Mr Kantam has followed the work of the United Nations and its various agencies very closely and has organised numerous successful functions in Mysore and Bangalore with a view to increasing understanding in South India of the various international agencies and I have personelly had the pleasure of attending two such functions organised by him under the auspices of the Mysore UN Association I know of no one who has done to promote the United Nations known in India

Mr Kantam's activities have by no means been limited to South India, since as one of the leading officers of the Indian Federation of United Nations Associations, he on several occasions journeyed to Delhi to attend meetings of the All-India body which appointed him as its delegate to the Sixth Plenary Assembly of the World Federation of United Nations Associations held in Stockhom in 1951

At the Assembly which Mr Kantam attended in Stockholm, he was a most effective delegate and he presided with distinction over the deliberations of the ~~fixxmajxxcommittxexxofxthexAssxmblyxatxwhix~~ Social Commission, one of the five major committees of the Assembly at which representatives of forty other countries were in attendance

Mr Kantam's visit to Europe gave him an opportunity of revisiting England where he studied earlier in his career and of visiting, Denmark, Italy, Switzerland and other European countries where he seized every opportunity of studying social and economic conditions and where he was invited to give a number of lectures an the problems and philosophy of his own country Being a man of wide interests and engaging manner, he was most popular with the people he met and left a most favourable impression on those who had the pleasure of contact with him

Mr Kantam has represented the World Federation of United Nations Associations at a number of United Nations meetings including the Economic and Social Council in Geneva, the Economic Commission for Asia and the Far East in Lahore and the Regional Conference of the Food and Agriculture Organisation in Bangalore He has in each fulfilled his duties most creditably

I have the highest possible opinion of Mr Kantam's integrity and reliability and my numerous cortacts with him in Asia and in Europe convince me that he would be an ideal person to interpret the East to the people of the Western Countries
